**11TH ANNUAL  
FIGHT AGAINST CANCER  
TEXAS HOLD-EM  
POKER TOURNAMENT**

**November 7th, 2015**

## A Message from Foundation President Mike Nipper

**W**e would like to thank you for your interest in sponsoring the 11<sup>th</sup> Annual Josh Farler Memorial Charity Poker Tournament. The Josh Farler Foundation was founded in 2005 to assist families with children who are struggling against cancer with the travel, food, and housing expenses that are associated with cancer treatment.

In 2005, 19-year-old Josh Farler was diagnosed with testicular cancer. He and his family were living in Nevada but had to travel to UCLA for frequent cancer treatments. To help with the cost of transportation and housing Josh's family held a poker tournament to raise money. Sadly, Josh lost his fight with cancer, but his memory lives on through the Josh Farler Foundation and their annual poker tournament in his honor.

To date, the Josh Farler Foundation has given out over \$100,000 dollars to help families in Kern County in need of assistance. However, this support is only possible by our sponsors and supporters, whose generosity is the backbone of our foundation.

In recent years, our partnerships with the Comprehensive Blood and Cancer Center and the AIS Cancer Center have expanded greatly on our ability to reach new families to help. However, as our reach has expanded, so too have our needs. We need the support of organizations like yours to continue providing help to all those who need it.

Please take a few moments to look over the different ways you can help us provide support to those who need it most.

Sincerely,

Mike Nipper

Foundation President
